Dear Dr. Tcheknavorian-Asenbauer,
Unfortunately your letter of 11 May 92 arrived in Moscow only in the beginning of June when I went to Rio de Janeiro for UNCED. Therefore I have received it only now after my returning.

In the end of May we verified the Conference Programme in accordance with answers that we received to that time. This explains why names of Mr. John Oxley and Mr. ~~Fuller~~ Fuller Pierpoint are absent in the Programme that was distributed in the first days of June (I hope that you received it). But we are ready for inclusion their reports to the Programme additionally (I am sure that we will find such possibility). Please, ask them to send abstracts (300 words) till to July 5 and manuscripts (10-20 pages) till to August 1. It is also necessary to send us urgently

Co-chairmen of National Organizing Committee:

Vice-President of the Russian Academy of Sciences Prof. V.A. Koptug and Prof. O.M. Nefedov.

the registration forms (a copy is enclosed) required for visa applications.

We have a possibility to cover ~~the~~ expenses on their accommodation in Moscow, but have troubles with travel funds. I hope that the last problem can be solved by UNIDO.

Looking forward to hearing from you,
I remain,

Yours sincerely
