## PRESENTATION

ATTENTION: Businessmens, Firm's, Companies

In the goal of advancement of positive changes in the USSR democracy, for providing favourable conditions for mutual SovietWest economy systems adaptation, developing understanding and friendship between our people we suggest to establish contacts and to open exchange of information in following fields: business, science, education, medicine, culture and other related spheres of our professional interests.

This is to declare the intents of Inter-regional Association "Sibirskoe Soglashenie" ("Siberian Agreement"), Siberian Commercial Bank, Cooperative Bank "Vostok", Association of enterpreners "AKADEMGORODOK", Novosibirsk Akademgorodok municipality in establishing business cooperation with interested banks, stock-markets, firms and funds of the USA in the following fields:

- organising modern regional and international bank and stock-market structures provided with network communication facilities with mixed capital;
- enhancing of soviet businessmen qualification according to international standard, mutual acquaintance with norms and practice of business contacts and economic partnership; methodology help in intensive education of soviet specialists in modern business, banking and stock-marketing in special schools and different colleges of Siberian region;
- building on the share basis in Novosibirsk Akademgorodok and big Siberian towns modern Business-Centres, hotels, foreign firms offices;
- · organising of interested firms presentations in Siberian towns;
- foundation "brother-town" relations between interested Siberian and USA towns.

Particular conditions of each project can be discussed during working contacts and meetings with interested banks and firms. Other forms of cooperation of mutual interest not mentioned here can be discussed later.

Contacts on all items mentioned above can be done through:

Association of enterpreners "AKADEMGORODOK"
