Dear Madame de Larderel,

We have sent to you by express-mail (February 17th) a provisional programme of CHEMRAWN-VIII Conference with invitation to present a lecture "International Networking for Cleaner Technology" (or on other preferable for you theme).

The Organizing Committee hopes that you have received our invitation and will inform us of your decision as soon as possible so that we can firm up our final programme.

We also will be very obliged for recommendations on additional (to provisional programme) invited speakers interesting from your point of view.

Thank you for your help
